2. Gen. Flickinger, as you know, was one of the original USAF Flight Surgeons who helped develop our personal flight equipment and who worked with Lovelace Clinic in establishing the pilot physical check standards. He is presently acting as a consultant to us on personal equipment troubles and as a source of guidance since the departure of [REDACTED]. Additionally, Gen. Flickinger plans to study all our pilot physical records and our records concerning personal equipment to extract important data which may help us in future personal equipment needs and for R and D purposes. Gen. Flickinger will also be acting as consultant to Mr. Bissell on some new projects.

3. Your early attention to this matter will be appreciated. If you need to get in touch with Gen. Flickinger to arrange for photos, he can be reached at ARDC Headquarters, Andrews AFB (Tel. Redwood 5-8900, or Code 185, Ext. 88121 or 88114).
